

# ETTA ELIZABETH MOWAT [1886 – 1955]

Etta Elizabeth was born May 13, 1885. She married **Frank G. Mavor** of Montreal Jan 19, 1916 and they had four daughters:

1. **Margaret** married **Robert Lennox** and they had two children:

**Terrance** married **Elaine Sutherland** and had three children:

**Scott, Andrew and Lis Ann**

2. **Isobel** married **Boyd Dunning** and had two boys:  
**Bruce and Brian.**

3. **Frances** married **Ernest Arthurs** and they had four children:  
**Michael, Shaun, John and Linda.**

4. **Marian** married **Stanley Brooks** a flying officer in the RCAF and had three children:

**Susan, Lynne and Dianne.**

I have heard various accounts about Etta: later in life she is said to have had 'nervous prostration'; that she was institutionalized; that she had headaches and finally died of a brain tumor. The Campbellton newspaper account of her death simply says she died on Jan. 20, 1955 at the age of 68, survived by her husband and four daughters.
